**Midwest City Ordinance Section 8-46  
Sanitation Standards Generally**

- (a) It shall be the duty of the holder of any permit provided for in this article where animals or fowl are kept, to maintain and operate the housing and premises in such a manner as not to create a health nuisance.
- (b) Each pen or enclosure shall be sprayed with a suitable residual spray as often as necessary to control flies and other insects.
- (c) It is unlawful to dump or place any manure or other wastes from such pens or enclosures in the garbage cans serviced by the Sanitation Department of the City.
- (d) Exterior limits of animal or fowl enclosures shall be at least fifty (50) feet from any private water well.
- (e) The failure of any keeper of animals or fowl to comply with the Sanitation Standards shall be cause for the revocation of permits.
- (f) It shall be the duty of the holder of any permit provided for in this article where animals and/or fowl are kept, to comply with any other standards of sanitation as may be required by Midwest City Ordinance, City/ County Health Department, Oklahoma Agricultural Code, State Department of Agriculture, or statutes of the state.

**PERMITS TO KEEP PIGEONS**

Permits to keep Antwerp messenger pigeons, commonly called carrier or homing pigeons, may be requested by indication on application above indicating the follow:

- (a) That such pigeons will be confined to close to and released there from only for training and exercise flights, and not allowed to fly at will.
- (b) That no other breed of pigeons will be kept in the same loft.
- (c) That the pigeons shall not be raised for any commercial or business purpose.
