Memorandum

To: Honorable Mayor and Council

From: Vaughn K. Sullivan, Public Works Director

Date: June 25, 2019

Subject: Discussion and consideration of renewing a contract, with modifications, for FY 2019-2020 Public Works General and Emergency Services with Silver Star Construction Company in the budgeted amount of \$281,077.50.

The Public Works General and Emergency Services contract with Silver Star Construction Company is an annual contract with provisions for five (5) annual renewals. This is the sixth year for renewal of this contract. Silver Star has agreed to renew the contract, exercising the contract's provision for renewal with rate adjustments, for FY 2019-2020. In FY 18-19 \$274,489.31 was available to be encumbered for Public Works General and Emergency Services.

The following is an itemized list of rate adjustments:

Price Increase Adjustments:

ASPHALT PAVING CONSTRUCTION AND REPAIR RATES

TYPE S3 PER TON (MATERIAL ONLY)	From 51.64	To 51.95
TYPE S4 PER TON (MATERIAL ONLY)	From 55.85	To 57.75
TYPE S5 PER TON (MATERIAL ONLY)	From 56.51	To 59.25

EMERGENCY SERVICES

C & D STORM DEBRIS REMOVAL PER CY	From 32.70	To 33.48
C & D STORM DEBRIS REMOVAL PER TON	From 88.79	To 90.92

NON-EMERGENCY SERVICES

VEGETATIVE DEBRIS REM PER CY (INCLUDE TIPPING FEE)	From 30.55	To 31.28
VEGETATIVE DEBRIS REM PER TON (INCLUDE TIPPING FEE)	From 192.49	To 197.11
C & D STORM DEBRIS REMOVAL PER CY	From 25.05	To 25.65
C & D STORM DEBRIS REMOVAL PER TON	From 130.49	To 133.62

The above rate increases are a direct result of the increased cost of oil and fuel.

This contract may be used by multiple departments for contracting of public works projects including, but not limited to, various professional services such as surveying, planning, budgeting, implementation and completion of such projects as municipal street repairs and improvements, park

improvements, drainage improvements, sidewalk replacement, excavation, snow, ice, trash and debris removal, right of way maintenance and mowing, emergency services and any special projects as deemed necessary by the City or Midwest City.

In FY 19-20 \$281,077.50 will be available to be encumbered for Public Works General and Emergency Services.

Staff recommends approval.

“Public Works General and Emergency Services”

Contract for Public Works General and Emergency Services, including, but not limited to, various professional services such as surveying, planning, budgeting, implementation and completion of such projects as municipal street repairs and improvements, park improvements, drainage improvements, sidewalk replacement, excavation, snow ice, trash and debris removal, right of way maintenance and mowing, emergency services and any special projects as deemed necessary by the City and Midwest City Municipal Authority.

Dear Mr. Shawn:

It is time to re-new the City and Midwest City Municipal Authority contracts for FY 2019/20. As you will recall, we have the option to re-new our contracts in the event that no changes or modifications are required by either party. In the area provided below, please indicate whether you agree to re-new our current contract under its present terms and conditions or whether the current contract should be re-bid. Depending upon your answer we will follow with the appropriate documentation.

Thank you for your assistance with this matter.

Vaughn K. Sullivan
Public Works Director

_____ Yes, we agree to continue the present contract with modifications (see attached).

 X No, we are not able to continue the present contract without modification.

Re: Contract renewal

Please review our proposed contract renewal costs for fiscal year 2019 / 2020. As you review the proposal you will notice that we have been able to hold the costs on a great many items. We are requesting a 1.4% percent increase in our base contract costs to fund a modest pay increase for our employees and the balance will go towards the ever increasing cost of motor fuel. There are a few construction material increases as well that also stem from cost increases in fuel and from the material suppliers in general i.e.: aggregate stone costs and an increase asphalt prices due to rising oil affecting the pricing of asphaltic cement at this time. *(As per our contract if oil and asphaltic cement prices fall we will lower the cost of the asphalt accordingly)*

Please review these costs, and let me know if you have any questions. I do want to thank you for the opportunity to serve the City of Midwest City for another year. From myself and our approximately two hundred and twenty employee owners at Silver Star Construction Company, we appreciate our long relationship with the City of Moore and thank you for selecting us to be your public works contractor

Sincerely

Tim Caudle
