“Granular Activated Carbon”

Our records indicate contracted price at \$33.81 per cubic feet for 9,600 cubic feet, at the total net cost of \$324,576.00 for Granular Activated Carbon.

Dear Ms. Vineyard:

It is time to renew the Midwest City Municipal Authority contract for FY 2022/23. As you will recall, we have the option to renew our contracts in the event that no changes or modifications are required by either party. In the area provided below, please indicate whether you agree to renew our current contract under its present terms and conditions or whether the current contract should be rebid. Depending upon your response, we will follow with the appropriate documentation.

Thank you for your assistance with this matter.

R. Paul Streets
Public Works Director

_____	Yes, we agree to continue the present contract without modification.
_____	No, we are not able to continue the present contract without modification.
xx _____	Yes, we agree to continue the present contract with modification.

RE: GAC Renewal FY 2022-2023
Granular Activated Carbon

Dear Mr. Streets,

Thank you for the opportunity to extend our current contract for Granular Activated Carbon supply and service beginning September 1, 2022, through August 31, 2023. As allowed by the Renewal Letter dated May 27, 2022, we would like to request a price increase. We have not gone up on pricing since 2016 for Midwest City, OK so the increase is higher than it normally would be but also given the increases we are absorbing from everything across the board in today's volatile market.

Product	2021/2022 Price Per Filter	2022/2023 Price Per Filter
Lignite GAC HD3000	\$ 33.81 / cu ft (\$81,144.00 / filter)	\$ 60.49 / cu ft (\$145,176.00 / filter)

We appreciate the opportunity to continue supplying your activated carbon needs and look forward to working with you again in the coming year. Please contact me if you have any questions or if I can offer any additional assistance.

Best Regards,

Norit Americas Inc.
